I entered into last year's awards, can I enter again?

Yes, we encourage you to enter again if you entered last year. While it would be preferable to use a new initiative/activity since last year, this is not essential.

How will my entry be judged?

Entries will be read and shortlisted by Grosvenor's Sustainability team, before judging by a panel of judges listed on our main Grosvenor Sustainability Awards Page. They will be judging based on the set criteria outlined in the Terms and Conditions.

Can we request feedback on our entry?

All entrants are able to request feedback on their entries by emailing sustainabilityaward@grosvenor.com

How many categories can I enter?

You are able to submit one entry per category. If entering more than one category, please submit an individual form for each.

When is the entry deadline?

The deadline for entries is on the 1st October at 11:59pm. If you are experiencing difficulties with the entry form please email sustainabilityaward@grosvenor.com but we cannot guarantee your entry will be included past the deadline.

Do I have to be a Grosvenor occupier?

The Awards are currently only open to Grosvenor occupiers. However, if you are not a Grosvenor occupier but you would like to be involved in our Sustainability Network please email sustainability@grosvenor.com

Winners will be notified by the 9th October to the email address provided.

Can I use the awards logo if we win?

We will provide you with a content pack after the winners have been announced, where you are welcome to use our awards logos to promote your sustainability activity.

Will our entry be featured on Grosvenor editorials?

Is there a cost to enter?

We want to ensure the awards are accessible as possible, so there are no costs associated with entering the awards.
